

Direct Assistance Programs- How We Can Help

We offer a variety of direct assistance services such as financial assistance, medical supplies, nutritional supplements and durable medical equipment. Our team is here to help you with your direct assistance needs.

Financial assistance in the form of Prescription Assistance

Cancer Services provides financial assistance for cancer related medications. This includes anti-nausea, pain medications and medications prescribed for depression, anxiety and insomnia.

Nutritional Supplement

We offer a variety of flavors of nutritional supplements to help with caloric intake. Some of these flavors are Ensure, Boost Plus, Boost Diabetic, Liquid Carnation Instant Breakfast, and Frozen Mighty Shakes.

Reimbursement for Travel Cost

Provided to qualified clients who have traveled in order to receive medical care and treatment.

Medical Supplies

Cancer Services, serving Erie County and North Central Ohio, offers a variety of medical supplies. Clients can receive items such as incontinence and ostomy supplies, wound care supplies and hygiene products such as: no rinse shampoo, wipes, chux/bed pads, latex gloves, and no rinse body bath.

Durable Medical Equipment

Cancer Services provides medical equipment through our loan warehouse. We house an array of equipment such as hospital beds, wheelchairs, walkers, canes, bedside commodes, shower seats and more.

Wig Boutique, Mastectomy Bras and Prosthesis

Cancer Services has an attractive Wig Boutique for our clients to try on stylish wigs in a private and comfortable atmosphere. We also provide a variety of hats, turbans and scarves. Cancer Services also has mastectomy bras, prosthesis, and camisoles for breast cancer survivors.
